Kaiser Permanente plans do not include a pre-existing condition clause.

Preventive services on this plan are available at no cost share. For a complete list of preventive services, please refer to the *Evidence of Coverage* or [businessnet.kp.org](http://businessnet.kp.org).

<sup>1</sup>This is an embedded plan. For a family of two or more, an individual deductible is part of the family deductible. Each family member becomes eligible for copayments or coinsurance either after meeting his or her individual deductible or after the family collectively meets the family deductible. The same methodology applies to the out-of-pocket maximum.

<sup>2</sup>Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a calendar year.

<sup>3</sup>For this service, the deductible does not apply.

<sup>4</sup>Scheduled prenatal visits and the first postpartum visit

<sup>5</sup>Well-child visits through age 23 months

<sup>6</sup>Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

<sup>7</sup>Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments.

<sup>8</sup>Please refer to the *Evidence of Coverage* for information on what is included in your DME benefit. Coverage is limited.

<sup>9</sup>Kaiser Permanente members are entitled to a 20 percent discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts may not be combined with any other Health Plan vision benefit. The discounts will not apply to any sale, promotion, or packaged eyewear program, for any contact lens extended purchase agreement, or to low-vision aids or devices. Visit [kp2020.org](http://kp2020.org) for Kaiser Permanente optical locations.
