¹This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

³Deductible is waived for first 3 visits combined for non-preventive primary care, specialty care, other practitioner care, urgent care, and mental/behavioral health and substance use disorder outpatient services.

⁴Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

⁵Scheduled prenatal visits and the first postpartum visit.

⁶Well-child visits through age 23 months.

⁷Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays. For information on our formulary, including the drugs on the specialty tier, go to kp.org/formulary or call our Member Service Contact Center.

⁸Both base and supplemental DME are covered. Supplemental DME is limited to a combined maximum benefit of \$2,000 per year for services. Refer to the *Evidence of Coverage* for information on what's included in your DME benefit.

⁹Under age 19. 1 pair of eyeglasses from a limited selection.

¹⁰Kaiser Permanente members are entitled to a discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts can't be combined with any other Health Plan vision benefit. The discounts won't apply to any sale, promotion, or packaged eyewear program; for any contact lens extended purchase agreement; or to low-vision aids or devices. Visit kp2020.org for Kaiser Permanente optical locations.
