

It's easy to get started

with Kaiser Permanente

Choose your doctor – and change anytime

Connecting you with a doctor who suits your needs is our top priority. At kp.org/searchdoctors, you can browse our physician bios and choose one based on what's important to you – like the specialty care you need or languages you speak.

Select one doctor for your whole family or a different doctor for each family member. You can also change your doctor anytime.

Find convenient locations

You have many facilities to choose from, and you're free to see different doctors at different locations. For example, you can choose a personal doctor close to your work and a pediatrician near your child's school.

Search locations in your area at kp.org/kpfacilities.
