Orange plans indicate pairings that are closely benefit-aligned.

Green plans indicate more economical pairing options.

Dual Choice PPO offerings outside of the shaded combinations above require prior underwriting approval and may require an additional risk charge. Only plans with Dual Choice PPO pairings are displayed. Plans are paired using multiple factors including, but not limited to, high deductible plan cost shares, deductibles, and out-of-pocket limits compared to the Dual Choice PPO plan. All pairings assume alignment between the high deductible plan and the Dual Choice PPO Kaiser Permanente pharmacy riders.
