Child Dental: We're required to include child dental benefits with your medical plan(s). When employees and their dependents enroll in the HMO medical plan(s) you've chosen, we'll also enroll them in a separate child dental plan underwritten by Delta Dental of California. PPO medical plan members receive child dental benefits as part of their medical coverage and not as a separate plan. Child dental services apply to all members under 19 years old.

*Chiropractic and acupuncture benefits are included with these plans.

Groups selecting the Gold 80 HRA 2250/35 plan above must fund an HRA for each enrolled employee. The allowable funding range is \$100 to \$400 per employee. If the group covers dependents, the allowable funding range per family is \$200 to \$800.

HDHP plans are HSA-qualified. If you've selected an HDHP or HRA plan above, and you would like Kaiser Permanente to administer your health payment account, you **MUST** contact your Small Business Account Management Support Team at **800-790-4661, option 3**, as additional documents are required and administration fees will apply.

To help you make an informed choice, Summary of Benefits and Coverage (SBC) documents for all our plans are available at kp.org/smallbusiness-sbc/ca. SBCs summarize important information about our health coverage options in a standard format, so you can easily compare benefits and coverage offered by Kaiser Permanente and other carriers.

5 EMPLOYEE MEDICAL PLAN CHANGES – CENSUS (add additional sheets if needed)*

If your company is changing from one plan to another, you don't need to provide this information; we'll transfer all enrolled employees to your new plan automatically. Please provide enrollment applications for any new employees. If your company offers multiple plan options, **please list only employees changing plans and their new plan selection**. Be sure to include all COBRA and COBRA subsidy members.

REQUIRED FOR MIDYEAR PLAN CHANGES

If you're making a midyear plan change (material modification), the Affordable Care Act (ACA) requires you to provide new Summary of Benefits and Coverage (SBC) documents to your employees and their dependents at least 60 days before the new plan's effective date. (This requirement doesn't apply for renewal cycle changes.) You can send a single SBC to an employee and his or her dependents if they live at the same address. If any dependents live at a different address, you must also send them an SBC.

To attest that you've complied with these requirements, please complete this form and fax or email it to the contact information provided below. Include a Plan Change Form if you haven't already sent one.

Midyear changes are subject to approval. Plan changes aren't permitted within 120 days of your renewal date. Providing SBCs to your employees and their dependents doesn't bind Kaiser Permanente to approve your plan change request. If your plan change is approved, we'll send you a confirmation with the effective date of your change. If the change isn't approved, we'll contact you with the reason why.
